# Sponsored walk for happy days.

**FREE Elephant Mask for all entrants. LEGO® or DUPLO® models when you raise £50.**

Walking is a great way to have fun and get fit, especially if you do it in a group - and for a good cause. This year why not get your school or group involved with our March of the Elephants event and take your herd out for a memorable adventure which also supports children who experience difficulties in their lives. We'll provide you with a free fundraising pack to get you started, including free elephant masks to colour in and wear on your march, together with balloons and stickers - plus sponsor forms and extra posters. And to every child raising more than £50, we'll send a fantastic LEGO® or DUPLO® model as a thank you for their efforts!

## WHAT DOES HAPPYDAYS DO ?

For more than 25 years, Happy Days Children's Charity has been giving trips - to zoos, the seaside, museums, theatres, outdoor activity centres, sporting events and other educational and cultural activities - to children living with mental, physical and emotional challenges. We support around 60 children with additional needs every day, giving them a chance to get out, meet new people, develop new skills and build confidence in the face of adversity.

As well as helping families and groups such as special educational needs schools, we're also here to help other charities, including children's hospitals and hospices, women's refuges and child counselling services. But we couldn't do this without your amazing support.

## HOW YOU CAN HELP.

Organise your walk at any time this year, and then get the children involved in the planning and collecting sponsors. You can use the sponsor forms in your fundraising pack or set up a group or individual JustGiving page at [www.justgiving.com/happydayscharity](http://www.justgiving.com/happydayscharity). If you're looking for some inspiration for your event, here are just a few ideas:

- Organise your walk in your school or nursery grounds and get sponsored for doing laps
- Make it part of a PE session or sports day
- Make it part of a school trip or day out
- Use elephants as a theme for a dress down day
- Personalise your masks in an art class
- Walk or dance like an elephant and stomp your way to success!

## WHAT TO DO NEXT.

Simply give Nicky a call or drop her an email with your name, address and number of participants and we'll send you your free fundraising pack:
